Dear Rod:

Just a few lines to express the association's gratitude for the outstanding motivational and information presentation that you once again presented at these years National Regional, Rural and Sub Metro Broadcasters Conference 2007. It is always a pleasure to have you involved in the Southern Community Media Associations events.

The response and feed back that we have received from delegates has been exceptional and without doubt has indicated that your sessions at the conference were in fact some of the stand out presentations of the event.

We look forward to your continued involvement in future conferences and motivational session with a genuine anticipation of not only a motivational event but also a great learning opportunity for all involved.

Sincerely

Ray Hazen
